Subject: Riverside Neighborhood Evaluation Community Meeting Flyer

March 2016

**Department of Toxic Substances Control
Riverside Neighborhood Evaluation Project Community Meeting
March 23, 2017 at 6:30 p.m.**

**Draft Neighborhood Sampling Plan
Public Comment Period: March 9, 2017 to April 7, 2017**

The California Department of Toxic Substances Control (DTSC) invites you to review and comment on the draft Neighborhood Sampling Plan (NSP) that was prepared at the request of residents near the Riverside Agricultural Park (Ag Park) site. The draft NSP was developed through the collaboration and input of the Neighborhood Work Group, the California Department of Public Health, the California Air Resources Board, and the City of Riverside. The soil sampling is to determine if wind-borne Polychlorinated Biphenyls (PCBs) may have migrated from the Ag Park to the residential neighborhood.

DTSC is holding a Community Meeting on Thursday, March 23, 2017 to provide details of the draft NSP which describes the proposed soil sampling at residential properties and a park near the Ag Park site. The Community Meeting will be an interactive open house format with multiple informational stations. DTSC and the community will have an opportunity to discuss sampling objectives, sampling rationale, proposed sampling locations and methods. Spanish translation will be provided at the meeting.

Community Meeting Information:

When: March 23, 2017, 6:30 p.m. to 8:30 p.m.

Where: Arlanza Community Center
7950 Philbin Avenue
Riverside, CA. 92503

Public Comment Period:

The public comment period starts on March 9, 2017 and ends on April 7, 2017.
You may submit your comments to:

Amit Pathak
Project Manager
Department of Toxic Substances Control
5796 Corporate Avenue
Cypress, California 90630-4732

Amit.Pathak@dtsc.ca.gov
